# Webinars: Term 1

## February | March 2025

### Understanding PAT: a guide for new teachers
https://acer.ac/newguide25
**Wednesday, 12 February 4 pm AEDT**

This session is designed to assist new teachers who are unfamiliar with PAT, providing administration recommendations, unpacking the Progressive Achievement approach and more!

This session provides the information you need to utilise the PAT Teaching Resources Centre to support students after assessment.

### The PAT Teaching Resources Centre: supporting teachers with the next steps after assessment
https://acer.ac/trc25
**Tuesday, 18 February 4 pm AEDT**

### PAT administration: account setup tips and tricks
https://acer.ac/setup25
**Wednesday, 19 February 4 pm AEDT**

Join this session for a refresher on student list management, assigning tests and tags and other tips and tricks to prepare your school's OARS account for the upcoming year.

Attend this session to learn how schools have implemented PAT not only in the classroom but across the wider school. This includes how schools fit PAT into their assessment schedule and use the data throughout the year as they cover the curriculum.

### PAT interviews: exploring the context of PAT in a school setting
https://acer.ac/context25
**Wednesday, 26 February 4 pm AEDT**

### AGAT 2nd edition: how and why schools are using the assessment
https://acer.ac/agat2ed
**Tuesday, 4 March 4 pm AEDT**

This session will explore the variety of ways schools are using AGAT (ACER's General Ability Test) 2nd edition. See the reports and how they can be used to help with teaching and learning in the classroom.

Co-hosted with industry partners, join this session to learn about the Australian STEM Video Game Challenge, the career journey of a game dev, key skills needed by students to succeed in the gaming industry and a testimonial on the impact of gaming in learning, along with relevant tools and events.

**A very special intro to the 2025 Australian STEM Video Game Challenge**

https://acer.ac/SVGC25intro

**Thursday, 27 March 4:30 PM AEDT**
