

Term 2 webinars

May | June 2025

**From research to assessment:
diving into PAT Reading**

acer.ac/pat_reading

Tuesday, 6 May 4 pm AEST

This webinar will give the unique perspective on what happens behind the scenes to create the PAT Reading assessment. Hear from experts as they take you through the steps that formulate the questions students see.

Lift the lid on PAT Maths and discover what goes into creating the assessment. If you have ever wondered how the questions are selected this is a webinar not to be missed.

**From research to assessment:
diving into PAT Maths**

acer.ac/pat_maths

Wednesday, 7 May 4 pm AEST

**Unlock the Power of the Woodcock-
Johnson V: A Comprehensive
Introduction**

acer.ac/wj_v_intro

Thursday, 15 May 3:30 pm AEST

Learn about one of the most widely used and versatile assessments for measuring cognitive abilities, academic achievement and oral language skills. We will examine key features of the new edition and its application in education, clinical and psychological settings.

In this webinar, you'll learn about the 5 essential skills that have the highest impact on students' learning, and ACER's free, unique frameworks that help educators teach and measure them.

**Transforming learning: Teaching and
assessing 5 essential skills**

acer.ac/5_essential_skills

Tuesday, 20 May 4 pm AEST

**Using PAT data to support
differentiated teaching practice**

acer.ac/differentiated_teaching

Wednesday, 21 May 4 pm AEST

This webinar will focus on the different ways teachers can use the reports on PAT data to assist effective differentiation in the classroom with examples from schools.
