

Pricing Overview

ACER's International Benchmark Tests (IBT) offer meaningful insights into student learning progress. As part of our commitment to improving learning and supporting schools, we offer tiered pricing based on the number of sittings and volume of tests ordered, making it easier to plan ahead and reach more students.

Pricing structure at a glance:

per student, per subject

The table below outlines the IBT pricing as well as discounted rates for schools assessing once per year (November, January or May). Discounts apply automatically based on the number of tests ordered.
