Generating and interpreting ACER's PAT Bands, Group, Individual and Longitudinal reports

acer.ac/generatingPAT

Wednesday, 26 August 4:00pm AEST

This session provides a practical walkthrough of the PAT Bands, Group, Individual, and Longitudinal reports used to analyse results from ACER's linear assessments. We'll explore reporting across PAT Reading 5th Edition, and the PAT Early Years assessments, showing how each report type can support deeper insight into student learning.

This session provides an in-depth look at the ACER Data Explorer, with a focus on the Achievement, Student, Item Performance, and Progress reports. We'll explore how these reports work for PAT Maths Adaptive, PAT Reading Adaptive and PAT Maths 5th Edition assessments, and how they can be used to build a deeper understanding of student achievement and growth.
